MANAGEMENT TEAM PROFILE

Femi Odunlami

Director, Developments

Femi Odunlami is a marketing, business development and sales expert with over 19 years of management-cadre experience. He has participated in and led development projects spanning conceptualization, designs, regulatory approvals, construction, marketing, sales and maintenance.

He is also experienced in partnerships and collaborations with stakeholders in the project development ecosystem including identification and due diligence on potential partners, negotiations, structuring, formalizing and reporting.

He currently supervises all business development, marketing and sales activities as well as managing the development projects.

Gboyega Adegbola

Director, Operations

Gboyega Adegbola is an efficiency specialist with over 10 years of senior management experience in overseeing corporate operations and driving performance improvements for efficiency, productivity, and cost-effective performance.

He has an MBA from Lancaster University Management School, UK, and is a certified PRINCE2 project management practitioner. Over the years, his experience in operations management has helped the organization develop systems to manage our operations activities for sustained performance excellence.

Oyediran Akinniranye

Lead Project Consultant

Oyediran is a seasoned Business Administrator with a strong background in credit and risk management, boasting 10 years of experience in the financial sector.

For 14 years, he has worked at James Cubbit in various roles, including Business Development Manager for James Group and as Director in charge of Real Estate Development and Management Companies. A graduate of the Harvard Owner President Management Programme, Oyediran is skilled in risk mitigation on projects and has a proven track record of coordinating marketing and sales initiatives.

Modupe Odude
FM / Project Design Manager

Modupe Odude is a built environment professional with over 20 years of experience in building design, construction, and property management. For the past 11 years, she has specialized in Facilities Management, offering services in OPEX and CAPEX design, CMMS, and Quality Management Systems. Modupe has worked with leading firms like Alpha Mead Group, contributing to a turnover of over NGN 5 billion over seven years.

She also managed facilities in Rwanda, Botswana, and Ethiopia. She holds certifications in Facility Management Professional (FMP) and Sustainability Facility Professional (SFP) from IFMA, where she's also been a Qualified Instructor for 5 years with an 85% pass rate. Modupe's extensive knowledge and expertise make her a key asset in the built environment.

Engr. Babajide Ishola
Structural Engineer

Engr. Babajide Isola is a seasoned Civil Engineer with vast knowledge and 15 years' experience and practice in Civil Engineering Designs and Construction.

He has developed a deep expertise with a key interest in Civil and Structural Engineering, Highway, and Traffic Engineering. A registered member of the Nigerian Society of Engineers and the American Society of Civil Engineers, he has led Multi-billion Naira projects and contributed to infrastructural solutions through notable research.

Currently, he serves as the Managing Director of Crest Engineering & Construction Limited and holds directorial roles in several engineering companies in Nigeria.

Quadri Sorunke
Visualization Specialist

Quadri Sorunke is an experienced Interior Designer, 3D Visualizer, industrial product designer, and visual artist with over 10 years in the field. He specializes in high-quality 3D visualizations for architectural projects and leads a design consultancy focused on sustainable, Afro-centric designs. His approach combines research, design thinking, and experimentation to create innovative and culturally connected solutions.

Quadri's work reflects his commitment to blending unconventional alchemy with untethered expression to curate unique lifestyles and experiences

Rufai Damilola
Project Manager

Rufai Damilola is an experienced Administrative Executive skilled in project management and enhancing organizational efficiency. She has a strong track record in stakeholder engagement and leading impactful projects.

With expertise in managing complex workflows and client relations, she is recognized for her leadership, problem-solving abilities, and commitment to business growth and client satisfaction.

Rita Abu
Research Manager

Rita Abu is a market research specialist with over 4 years of experience in market research and analysis. She excels in delivering data-driven insights that inform strategic business decisions. Rita's expertise spans various industries, ensuring comprehensive market understanding and effective solutions. Her contributions have consistently supported organizational growth and client success.
